

## Learning Tree Confidentiality Policy

At the Learning Tree all our staff have a 'confidential relationship' with families.

It is our intention to respect the privacy of children and their parents and carers, while ensuring that they access high quality early years care and education in our setting.

We aim to ensure that all parents and carers can share their information in the confidence that it will only be used to enhance the welfare of their children.

There are record keeping systems in place that meet legal requirements; means of storing and sharing that information take place within the framework of the Data Protection Act,

Freedom of Information Act 2000 and the Human Rights Act.

### Confidentiality procedures

- Some parents sometimes share information about themselves with other parents as well as staff; the setting cannot be held responsible if information is shared beyond those parents whom the person has 'confided' in.
- Information shared between parents in a discussion or training group is usually bound by a shared agreement that the information is confidential to the group and not discussed outside of it.
- We inform parents when we need to record confidential information beyond the general personal information we keep for example regarding any injuries, concerns, or changes in relation to the child or the family, any discussions with parents on sensitive matters, any records we are obliged to keep regarding action taken in respect of child protection and any contact and correspondence with external agencies in relation to their child.
- We keep all records securely. Parents have ready access to the files and records of their own children but do not have access to information about any other child.
- Staff will not discuss personal information given by parents with other members of staff, except where it affects planning for the child's needs.
- Staff induction includes an awareness of the importance of confidentiality in the role of the key person.
